Payment of the above fee provides a NAPAS member with access to all general meetings, seminars, workshops, launches, and other Society activities. Participants wishing to launch high power rockets with total impulse above 160Ns must be members in good standing of the Canadian Association of Rocketry, the National Association of Rocketry or the Tripoli Rocketry Association, and must adhere to the TRA Safety Code. Course materials, samples or workshop supplies may require additional payment.

I, the undersigned, understand that the North American Propulsion and Aerospace Society is not able to assume liability of any kind with regards to my activities or the activities of others. I agree to pursue my rocketry activities in conformance with the Society's Bylaws and Safety Code, and that I will be an active member of the Society to the best of my ability.
